The 6 Principles for Exemplary Teaching of English Learners: Young Learners in a Multilingual World
Joan Kang Shin, Vera Savic, and Tomohisa Machida

TESOL International Association has defined a core set of principles for the exemplary teaching and learning of English as a new language. This book shows educators how to apply these principles to teaching young English learners (2- to 12-year-olds) in a foreign language (FL) setting. The 6 Principles and their recommended practices are targets of teaching excellence that provide teachers with the knowledge to improve instruction and assessment. Instructional techniques are illustrated with a multitude of classroom examples, case studies, checklists, and vignettes.

Social-Emotional Learning in the English Language Classroom: Fostering Growth, Self-Care, and Independence
Luis Javier Pentón Herrera and Gilda Martinez-Alba

While social and emotional learning (SEL) is becoming increasingly critical for learners’ success, teachers often feel unprepared to incorporate or address it in their classrooms. This book serves as a practical, concise, and easy-to-follow reference that English language teachers in K-12 and adult education and English language teacher educators can use in their classrooms. It is one of the limited emerging SEL resources available that is tailored to the English language teaching field and contributes to filling the existing gap of SEL in English language education. Teachers will be equipped with the necessary knowledge and skills to practice self-care and be confident in implementing SEL in their learning spaces to support and benefit their learners.
